Special thanks to Lagudi Prabhu for giving moral support and everything I asked for during my stay at New Govardhana Farming Community.

Thanks to all of my Godbrothers and Godsisters who sacrificed their life for others and granted me the stick of their support. I long for their association. Although I have not mentioned all, I pray I may never forget any of them.

I beg the mercy of all the cows and bulls of New Govardhana. For the sake of preaching and broader protection of others I committed innumerable offences. Please forgive this fallen soul. I tried to serve you but could not.

This editing work has extended over a period of years: time heals, realizations develop, moods change- philosophy does not. No offence intended in any way. Let us forge ahead.

Thanks to all the devotees who made the publishing of the Conversations of Śrīla Prabhupada a reality, without which this impoverished soul would have been more lost, many times over. Sarve sukhino bhavantu 20/10/2001

“...are now unconcerned...In fact, kings or others who have determined faith in the mercy of brāhmaṇas, cows and the Supreme Personality of Godhead Kṛṣṇa, and who always worship these three, are always strong in their position ...”

(From Morning Walk Conversation of May 28th, 1974 in Rome, page 215)

Yogeśvara: Śrīla Prabhupāda, the way you've been describing our solutions to the problems of the world, they seem to be on two levels. One is the extended solution, that is to say, the ultimate solution of Kṛṣṇa conscious.

Prabhupāda: No, there is no question of extended. You keep yourself in a limited solution. And then, when it is appreciated it will be automatically extended. You don't touch the extended. You become ideal civilized man. Others will follow.

Yogeśvara: Well, for example, ultimately, we want to live locally. These cities are not necessary.

Prabhupāda: No, you make the best use of a bad bargain. We shall depend more... Just like in New Vrindaban. They are coming to the city for preaching. So not absolutely we can abstain immediately because we have been dependent so long, many, many lives. You cannot. **But the ideal should be introduced gradually. And make it perfect more and more and more and more.** But there is possibility. Possibility if you live locally and make your arrangement, you get your foods... The real necessity is, bodily necessity is, eating, sleeping, mating and defending. This is necessity. So if you can eat locally, you can sleep locally, you can have your sex life also locally and you can defend locally, then what is the wrong? These are the necessities. We are not stopping this. We are not stopping, "No more sex life." That is nonsense, another nonsense. You must have. Marry. That's all. So you can marry locally and live. Where is the difficulty? Defend. If somebody comes to attack, there must be men to defend. And eating and sleeping. Where is your difficulty? Manage locally, as far as possible. After all, these are the necessities of body. So it can be solved locally. Is it impossible? To solve the bodily necessities? What do you think? Is it impossible?

Satsvarūpa: No, it's very simple.

Prabhupāda: Then do it. Do it. Set example perfectly.

(From Room Conversation 2 of January 21st, 1977, in Bhubanesvara with Rāmeśvara Dāsa, Managing Director of the Bhaktivedanta Book Trust, page 1081)

Prabhupāda: And besides that, if we concentrate in farm project there will be no need of exchange, because I'll be satisfied with my products. That's all. There is no need of exchange. Whatever I need, I get in my farm.

Rāmeśvara: Weaving, cloth.

Prabhupāda: Everything I get. So I haven't got to go outside for exchange. If you are satisfied in your farm—I am satisfied—then where is question of exchange? There is no need of artificial... So this banking, "fanking," everything will collapse automatically. There is no money, who is going to keep money in the bank?

Hari-śauri: Who needs it?

Prabhupāda: (laughs) So this artificial way of banking, that will be also collapsed.

Hari-śauri: This is revolutionary.

Rāmeśvara: It's very hard for the mind to...

Prabhupāda: **NO, SIMPLY DO THIS.**

Rāmeśvara: Such a dramatic transformation of society.

Prabhupāda: Yes. Whatever it may be... We should be satisfied locally by our food, by our cloth, by our milk. That's all. Let the whole world go to hell. We don't care. IF YOU WANT TO SAVE YOURSELF also, you do this. Here is an example. If you want artificial life, city life, and hellish life, you do. But we shall live like this. This is the ideal life.

Hari-śauri: But still, we're going out to attract people to come to our life-style.

Prabhupāda: Hm?

Hari-śauri: We're still going out to attract people to come and live like us.

Prabhupāda: Yes.

Rāmeśvara: Well, even more than that, we know that we have the secret to real life, so it's our duty to actually... Just like you say...

Prabhupāda: That is preaching. That is preaching.

Rāmeśvara: ...the surgeon, he must cut.

Prabhupāda: Yes.

Rāmeśvara: The doctor must...

Prabhupāda: Yes.

Rāmeśvara: ...save the patient. It's his duty.

Prabhupāda: No artificial dealing. Purge out.

Hari-śauri: When one actually has the power, he can do that.

Prabhupāda: Yes.

Hari-śauri: So by our preaching now, we have to try and establish a Kṛṣṇa consciousness government first through the democratic system.

Rāmeśvara: You said, "Think in terms of the whole world, not just one nation. That is our preaching." So you are training us to think very big, global.

Prabhupāda: *We* keep the ideal style of life. *YOU* LEARN AND DO IT. I am not encroaching upon your independence, but *IF YOU WANT TO BE HAPPY*, you follow. This is our process. Āpani ācārī prabhu jīverī śikṣāya. You be happy, very ideally, and people will learn. But this can be possible only on the basis of Kṛṣṇa consciousness. If you make minus Kṛṣṇa consciousness this thing, it will never be possible. Then it will not be possible. All these scheme will be successful if there is Kṛṣṇa consciousness.

Hari-śauri: Only if the chanting and prasādam is there.

Prabhupāda: Prasādam, Deity worship, devotional life... Then it will be all right.

Hari-śauri: Yes. Gandhi could never implement his program.

Prabhupāda: Nobody can do. They simply... Even... What is that? Marx? He could not. There is no real attraction. Artificial, by force. Here the real attraction is Kṛṣṇa. So other thing he doesn't mind: "Let there be little inconvenience. I don't mind."

Hari-śauri: A devotee is actually getting a higher taste. He's getting some real enjoyment, so he doesn't care for the other things.

Prabhupāda: So unless there is enjoyment he cannot stick. But that enjoyment is Kṛṣṇa.

Hari-śauri: Just that chanting is enough. It's just so much nectar.

Prabhupāda: No, everything—Deity worship, chanting, kīrtana, preaching, publishing, distributing—everything.

(From Room Conversation 3 of January 31st, 1977 in Bhubaneswar, page 1144)

Yogeśvara: Well, at the farm there is not as much of a new *bhakta* program as in Paris. So the new men are encouraged to stay in Paris to get fixed up first.

Prabhupāda: So new... When they are trained up, they can come, live, especially *grhasthas*. My point is whether the farm is attractive. Not very much.

Yogeśvara: The potential is wonderful.

Prabhupāda: And therefore I'm asking. Potential is wonderful, *so why they are not attracted to live in the farm and be self-independent and chant Hare Kṛṣṇa?* That is our farm project. Our farm project is they should be satisfied with simple living. That is nice living. If you get milk, if you get fruit, if you get grain and open air, it is very healthy life. Why they should not be attracted?

Yogeśvara: It is still the beginning, and because it's the beginning, it is a little difficult sometimes.

Prabhupāda: That may be. But this should be our aim. We should not be attracted by the modern city life. Simplified life. Save time and utilize for advancing in Kṛṣṇa consciousness. That is perfect life. Just like Vṛndāvana. Vṛndāvana life means agriculturist, cowherd boys, uneducated girls, cows and calves, and tree, fruits. This is Vṛndāvana. The center is Kṛṣṇa.

Yogeśvara: Simple living.

Prabhupāda: But they are the topmost devotees. These (chuckling) uneducated, without any town life, cow-men, they are Kṛṣṇa's best friend. Unsophisticated, no education, but love intense--that is perfect. That attracted Kṛṣṇa more. *Vṛndāvanam parityajya na padam ekam na kartavya...* Kṛṣṇa is so much attached to Vṛndāvana that He goes nowhere... What is that? They are not educated girls, up-to-date fashion, (indistinct) or nothing. Crude. As soon as there was blowing of the flute, immediately they began to run towards Kṛṣṇa. Somebody is taking care of children, somebody is engaged in boiling milk, and somebody was even lying down with her husband. Still, immediately... Very crude, unsophisticated, but intense love for Kṛṣṇa--that is Vṛndāvana.

WE WANT TO INTRODUCE THIS FARM PROJECT MEANS INTENSE LOVE FOR KRSNA.

And other things--very simple: little milk, little food grain, little vegetable, that's all. And that is very nice. If you get fresh vegetable, fresh milk, and food grain, what do you want more? And from milk you can prepare so many nice preparations, unlimited number, all very palatable, sweet. This civilization we want to introduce, not so-called rascal civilization and become implicated in this cycle of birth and death. This is not civilization. This is killing civilization. Human being got the opportunity to get out of these clutches of birth and death. They do not understand. They're so rascal, they do not understand how they are implicated in this cycle of birth and death, nor they do take it seriously, that this is the problem, *janma-mṛtyu-jarā-vyādhi-duḥkha-doṣānudarśanam*. They are so blind rascals, they do not see that this is real suffering. They do not know it. Simply theorizing, making plan, and they do not know what is the suffering. Such a rascal civilization. So we have to introduce real civilization. Therefore we are struggling so hard. So make in such a way. That's a very nice place, center of Europe and very nice place. What is the condition of rainfall?

Yogeśvara: Last summer was dry, but it was not so much dangerous for us. And now it is steady.

Prabhupāda: So there must be rainfall. And if we become Kṛṣṇa conscious, chant Hare Kṛṣṇa, there will be rainfall.

Yogeśvara: That will be true everywhere we go.

Prabhupāda: There'll be rainfall. And then even barren land will be fertile. They do not know this. They are importing water. These rascals, they continue sinful life and import water. There are oceans and seas. Why (chuckling) you scientist cannot bring the water, make cloud and pour water? Where is that science? What do they say about it?

The Final Instruction

Room Conversation (2), October the 8th, 1977 in Vṛndāvana, page 1340.

Prabhupāda: No luxuries. Live very simple life and you save time for chanting Hare Kṛṣṇa.

Haṁsadūta: Yes, Prabhupāda.

Prabhupāda: That is my desire.*

Don't waste time for bodily comforts. You have got this body. You have to eat something. You have to cover yourself. So produce your own food and produce your own cloth. Don't waste time for luxury, and chant Hare Kṛṣṇa. This is success of life. In this way organize as far as possible, either in Ceylon or in Czechoslovakia, wherever... Save time. Chant Hare Kṛṣṇa. Don't be allured by the machine civilization.

Haṁsadūta: Yes, Prabhupāda.

Prabhupāda: This is soul-killing civilization, this kind way of life, especially European countries. Anywhere you can inhabit it. It is not very difficult. A cottage; you can produce your own food anywhere. Am I right?

Haṁsadūta: Yes, Prabhupāda. We will do it.

Prabhupāda: And money, spend for Kṛṣṇa--for Kṛṣṇa's palace, for Kṛṣṇa's temple, for Kṛṣṇa's worship, gorgeous, as gorgeously as... Not for false... This is the human civilization.

And to organize this, varnāśrama will help you to divide the society -- brāhmaṇa, kṣatriya, vaiśya--as there is division in the body. That will help. Don't waste human form of body for sense gratification.

I wanted to introduce this.

Now I have given you ideas. You can do it. You are all intelligent. For Caitanya Mahāprabhu's para-upakāra... So you do good to others. Not exploit others. Any human being who has been bestowed by this body has the capacity to chant Hare Kṛṣṇa. Give them chance and make situation favorable.

Is that clear?

Hamsaduta: Yes, it's clear, Prabhupāda. You have made everything very clear.

The Final Letter

(To GBC Australia, from Śrīla Prabhupāda's secretary 10th August, 1977)

Śrīla Prabhupāda was most enlivened to hear the report of New Govardhana farm. His Divine Grace, in the last month or so, has been stressing the importance of these farm projects, and said:

"This is the next aspect of Kṛṣṇa consciousness which I wish to push forward. If I am able to travel again then I shall visit the farms and make them perfect. On these farms we can demonstrate the full varṇāśrama system. *If these farms become successful, then the whole world will be enveloped by Kṛṣṇa consciousness* (emphasis added). From your letter I can understand how nice this farm is. I am very happy to see fresh vegetables, fresh fruits, grains, the devotees taking sumptuous prasadam and chanting Hare Kṛṣṇa. This is the actual meaning of human life. It is a very good farm, from your letter I can understand.

"Whatever you build, get the building materials locally. If you can manufacture tiles locally, then your house problem is solved. Build up a bamboo frame and on it place tiles. *In any event, get everything locally.* I wish to make a farm tour, and then I shall surely visit your farm."

I suggested to Śrīla Prabhupāda that he was the farm ācārya, but Śrīla Prabhupāda said:

"Kṛṣṇa is the Farm Ācārya. Baladeva is holding a plough, and Kṛṣṇa is holding the calf. Kṛṣṇa advised Nanda Mahārāja not to perform Indra-pūjā, but to worship the land*, Govardhana, because it was supplying all foodstuffs* for the residents* of Vṛndāvana, and the cows as well*."

**[Editor's Note: Herein lies the transcendental, confidential formula for transforming land into the spiritual world. When all the residents of a particular tract of land ("village") are supplied with and are happily subsisting exclusively on whatever foodstuffs are produced there locally with the help of happy bulls and cows after offering it to the Lord, and are chanting Hare Kṛṣṇa; that land becomes worshipable, it becomes Govardhana, Vṛndāvana. That is worship of the land.]*

So Śrīla Prabhupāda wants you to develop this farm very nicely, as it will be the future program to present to the world as the ideal of Kṛṣṇa consciousness. In the cities we are interested for preaching, but we cannot present the ideal varṇāśrama system. This is only possible at the farms, so they're very important.

So these rascals, Westerners, they do not know and they are becoming philosopher, scientist, politician, and spoiling the whole world. They can be saved only by this Kṛṣṇa consciousness movement. There is no other way. <u>Otherwise they will lick up their skyscraper building and everything will go to hell. We have seen in New York, so many houses fall down. In NY.Yes.</u>		344, 345	44

They're all less than <i>śūdras</i> and <i>caṇḍālas</i> . This is the first time attempt is being made to make human beings. Don't mind. I am using very strong words. That is the fact. 365838 Now you be trained up and revise the whole edition of the western civilization, especially in America. Then a new chapter will come in. <u>This is the program</u> . Therefore <i>varṇāśrama</i> school required. First of all <i>varṇa</i> . And <i>āśrama</i> , when the <i>varṇa</i> is perfectly in order, then <i>āśrama</i> . Preliminary help is needed. Our main aim is how to give them Kṛṣṇa consciousness. But if they are already disturbed in every respect, then how they'll take it? Therefore we are taking these subjects, to help him to come to the Kṛṣṇa consciousness. And <u>this is the method--<i>varṇāśrama</i></u> . For management or ideal society, we are introducing this. We, so far we are concerned, Kṛṣṇa conscious men, we are above <i>varṇāśrama</i> . But to show the people that we are not escaping, we can take part in any order of life. That is our position.	311	311	162

If selected people of the world, combined together, push this movement in India, the whole program of the modern leaders will collapse. That's a fact. And that was my idea: Bhaktivinoda Thakur- combine the whole civilized nations under this Caitanya Mahāprabhu 's cult, Hare Kṛṣṇa movement. And he was expecting some others that willing to take up the work. 386122		284	329
"All of you, you become guru." So how to become guru? 385961 Not that simply by advertising that one has become guru all of a sudden, no. 385949	750313r2.teh	289	322
We may be imperfect. So why don't you become real guru to your wife, to your children, and instruct <i>Bhagavad-gītā</i> as it is? This is our mission. Christ was also for twelve years in India. The word <i>Christ</i> and <i>kristo</i> , there is similarity. He also propagated love of God. That is Kṛṣṇa.		290	322
Everything is there in the <i>Bhagavad-gītā</i> . That is the summary of all Vedic literatures. This is our Kṛṣṇa consciousness movement. And if you try to preach, then you become most recognized person of Kṛṣṇa. <i>Na ca tasmāt manuṣyeṣu kaścit me priya kṛtta...</i> And our mission is to satisfy Kṛṣṇa. <i>Samsiddhiḥ hari-toṣaṇam</i> . The upper man is <i>brāhmaṇa</i> . He gives the direction to the <i>kṣatriya</i> . They should not be proud that "I am <i>brāhmaṇa</i> ." No. As you are required, as much, the <i>sūdra</i> is also required. It is not that only the <i>brāhmaṇas</i> are required. This is a very scientific movement. 387170 Realize the Supreme, that is the first and foremost aim, but at the same time, to keep the whole human society in perfect happiness, according to the direction of God. Just like I told you that Kṛṣṇa says, <i>annād bhavanti bhūtāni</i> . If you want to keep the living entities, both men and animal, happy you must arrange for their nice fooding. Who can deny this philosophy?		366	330

Caitanya Mahāprabhu therefore said, <i>janma sārthaka kari kāra para-upakāra</i> . You are very busy doing good to others, but first of all make your life perfect. And otherwise, you rascal, fool, blind, what you will do? So where is the training? 387214		369	331

Why ambition? Become actually guru. G M lost spirit for preaching. Showing deity condemned. "Go to do good to others. First of all you do good to yourself." First of all you become really preacher. Then go to preach. "Your first business is that you make your life perfect. Then go to preach. Perfect means you learn how to obey My orders." That is perfection. <i>Āmāra ājñāya</i> . <u>Just be convinced what kind of civilization we are trying to introduce.</u>			
This is to be introduced. This we want to preach. Save time, be spiritually advanced, other necessities, make it gentlemanly short-cut. If you save time, you can read all these literatures, understand what is value of life. Therefore, the literature here. Not for all. The <i>brāhmaṇas</i> , educated. And they'll distribute the knowledge by speaking. Others, those who are less intelligent, simply by hearing, they will be guided. Be strong so you may not be rascal. First of all, save yourself- then try to save others, or simultaneously. This is our Kṛṣṇa consciousness movement. Corn- crush, powder as flour, hard part as rice. <i>Dāl</i> , <i>bhāta</i> . Vegetable and fat. Milk. Complete food. First problem food. 483243

<i>Yathā deve</i> , as you surrender to Kṛṣṇa--similar to guru--then your life is perfect: meaning of the scripture will be revealed automatically. <i>Guru-mukha</i> - nothing more. Then your life is perfect. Don't manufacture ideas. 487206 Uncompromising. My Guru Mahārāja was also alone. 487248 Woman and money, that will not solve the problems of our life. Be satisfied, nature's gift of woman.		236	1180, 1181
<i>Brahmācārya</i> , tolerate itching sensation, liberated. Where is that civilization? <u>So establish</u> . Do this. Give them food. Give shelter. Give knowledge. That is <i>para-upakāra</i> , welfare. 487297 Cows: why they're running away? Demons: animals in good dress- no social structure, mercy.		241	1181, 1182
Offenceless chanting, not whimsical- must be properly initiated. 486929	770225r2.may	250	1182
Bhaktivinode Ṭhākura - <i>nāmākṣara</i> , Hare Kṛṣṇa, the alphabets, are coming out, but it is not the holy name. 486953		251	1182
If one does not chant in the process, then gradually it degrades. The offense will increase. There is chance. <i>Vidhi</i> must be progressively introduced. Don't make it cheap. It has got a science. It has got a form. We chant "Hare Kṛṣṇa," it is forced meditation. He has to meditate. So it is better meditation- even the trees, insects, animals, they'll hear and get the benefit. 486961		252	1183, 1184
Cow protection- <u>you must do it</u> . Even if the cows do not supply milk. 486494	770225ed.may	258	1184
Anyway, you maintain cows and get ghee. 486549 Everything is complete by the arrangement of Kṛṣṇa. Simply we mismanage. Eat sufficiently, be strong keep your health good and chant Hare Kṛṣṇa. This is the arrangement. <u>Kṛṣṇa has given the formula. <i>Annād bhavanti bhūtāni</i></u> .		260	1184
So our Kṛṣṇa consciousness movement is <i>para-upakāra</i> , how to bring them in peaceful condition, in normal mental condition, and make this life successful by chanting Hare Kṛṣṇa. So we have to do it very carefully. It is <i>para-upakāra</i> . 486551 <u>You have got a great mission and don't deviate</u> . Try to... And Kṛṣṇa will give you all help. So, but always keep in mind that this civilization is a wrong civilization. Wrong civilization. It is not quite civil.		261	1184, 1185

Two sides we are trying, to define the natural division of human society. Both ways. I want to revive brāhmaṇa-ism, kṣatriya-ism. "In this age, can't we all be combined in a single person rather than dividing them into four?" No. Love of Kṛṣṇa not so easy: we have to reach that point after many processes. Administration must be trained by brāhmaṇas, the śāstra, sādhu-śāstra-guru. Division is there, but no training, therefore chaos.
